

Dark knight Network Camera

MODEL : WIP-T051P-LED

Specifications

Main Parameters	
Image Sensor	1/ 2.8" CMOS
Max Resolution	2880*1624
Effective Pixels	5.0MP
Compression Standard	H.265&H.264
Frame Rate	5MP@20fps
Main Stream	5MP(2880*1624)@20fps, 4MP@25 fps(2560*1440), 3MP@20fps(2304*1296), 2MP@20fps(1920*1080)
Sub Stream	448P(800*448)/D1(704*576)/360P(640*360)/ CIF(352*288)
SNR (dB)	50dB
Lens	4mm F1.0 big iris lens
Day & Night	Support, IR up to 30m-35m, 11 LED array
Function	
Humanoid Detection	Can detect human shape for intelligent alarm and number of people statistics Extended applications: E-fence, crossing detection, departure detection, and passenger flow statistics
Intelligent Alarm	Support
WDR	Dight WDR
Smart Functions	Humanoid Detection Alarm
Remote Operation	System, Stream, Alarm, Network, Storage Management, PTZ
Hardware	
PoE	Support
Audio	Support G.711U、G.711A
Network	
Ethernet	10M/100M Ethernet, RJ45 Port
Stream	2 Main Streams, 2 Sub-stream
Protocols	ONVIF, P2P, CGI, HTTP, TCP/IP, IPv4, RTSP, UDP, NTP, DHCP, DNS, IP Filter, FTP
App	Support iOS/Android
Working Temperature	-20°C ~ 70°C
Working Humidity	RH 10%-90%
Power Supply	DC12V / 2A
Color / Material	White / Metal,plastic
General	
Installation	-20°C ~ 55°C
Dimensions	116.4*75*78mm
Weight	450g

Feature

- 1/ 2.8" CMOS' 5MP CMOS, 2880*1624
- Full Color night vision
- Support H264, H.265 encoding format
- Support ONVIF Protocol for NVR connection
- Support humanoid and vehicle detection function
- Support linkage sound and light alarm
- Ethernet Port RJ45
- Power DC12V / Poe 48V
- Water Proof IP65
