

# WIOT1001 Home Security Camera

## FEATURES

- 1pc high-power IR LED 5M IR Distance
- Built-in MIC and speaker, two-way audio
- Support sound wave and AP configuration
- Support 256G local storage
- Magnetic bottom, affix to metal surface
- Support Android/IOS

## SPECIFICATION

Image Sensor	2.0MP, 1/4"CMOS HD IP camera
Min. Illumination	0.02Lux @(F2.2,AGC ON) , 0 Lux with IR
Lens/ Visual Angle	2.1mm @ F2.2, horizontal field:127°, vertical field:162°
Day & Night	ICR
DNR	3D Noise Reduction
WDR	D-WDR
Making distance	5M
Video Compression	H.264
H.264 Operating system	Main Profile
Video Compression rate	VGA/HD, Bit rate self-adaption
Audio compression standard	AAC
Max resolution	1920 × 1080
Frame rate	Max: 25fps, Network frame rate: Self-adaption
BLC	Support
Video Storage	Support Micro SD card(Max 256G)
Alarm	Motion Detection
Configuration	Wi-Fi configuration
General function	Anti-flash, dual-stream, heartbeat, mirroring, password protection, watermark
Transmission rate	11b: 11Mbps, 11g :54Mbps, 11n :150Mbps
Transmission distance	Outdoor: 100M; Indoor: 50M(Depends)
Working Temperature and Humidity	-10~50℃ , Humidity rate within 95 % (without condensation)
Power Supply	DC5V 2A±10%
Power consumption	6W MAX
IR distance	Max 5M(Depends)
Dimension(mm)	80mm*50mm*50mm
Weight	75g
