

Smart Wi-Fi Bullet PTZ Camera

MODEL : WIOT1051F-PT4

Feature

- 4 Mega pixels, high-lens, high-quality
- Pan 180° Tilt 85° PTZ rotation angle; Horizontal 85.6° and diagonal 106.6° HD wide-angle lens, wider field of view
- 15-meter enhanced infrared night vision, equally clear at night
- Light AI technology, 0.5T AI computer power, Support motion detection, human detection, Sound detection, cry detection Sound detection, area detection and real-time APP alarm push
- Two-way voice real-time intercom for communication anytime and anywhere
- Support 2.4GHZ/Wi-Fi 5 transmission, support blue tooth connection
- Optional countertop placement/wall hanging/ceiling installation, suitable for various application scenarios.

Specifications

Main Parameters	
Resolution ratio	4MP HD: 2560×1440; SD: 640×360
Lens	4mm, F2.0; (FOV) H: 85.6° ; Opposite angle 106.6°
Infrared night vision	15M black and white night vision
Full color night vision	Support
Pan&Tilt	Horizontal 345 degrees, Vertical 90 degrees
Main Functions	
Switch mode	Automatic switching
Video encoding	H.265
Audio input	Support
Two way intercom	Support
Network transmission	Support 5G/2.4GHz/ WiFi 6 network; Support WPA and WPA2 encryption
Network protocol	TCP/IP ,IPv4, DHCP, P2P;
Google Home, Amazon Alexa voice linkage	Could be customized, Optional
RJ45 network interface	Support
Motion detection	Support
Humanoid detection	Support
Moving objects tracking	Support
Area detection	Support
Cry detection	Support
Alarm linkage	Support
Alarm Push	Support
Siren	Support
3X Digital ZOOM	Support
WDR	Support
Remote viewing / playback	Support
Cloud storage	Support
Local storage	Support 128GB Micro SD Card
Reset Button	Support
Other Parameters	
Video Mode	HD/SD
Light sensitivity	0.1lux
Video system	20@FPS
Mic	Single MIC , 3M
Picture flip	Support
Working temperature	'-10 °C to 45 °C
Working humidity	≤95%
Power Supply	DC5V 2A / USB-C
Shell material	PVC
Water-poorf	IP65
